STRAWBERRY MARSHMALLOW

I C H I C O M A S H I M A R O

Her name is Miu Matsuoka. She's 12 too and in the same class as my sister. I've known her all these years, but I still have no idea how her mind works.

AH!
NOBUE!
GOOD
MORNING!

Chika's best friend lives next door. A lot of traffic has passed over these old roofs.

On to my next victim...

THERE.

Slide

Yo.

Um, no way! What about this one? Is it cuter, not as cute, or the same cuteness?

definitely. So, I'm getting married sometime next month. You think I could borrow some money?

You don't have to impress us, MIU. We know what you look like.

I started working on it a half-hour ago...

I wanted to come over to your place, but I haven't been able to figure out what to wear ...

What?

Really?! You really think so?

That one. The one you're holding. It looks great on you. Very cute.
